- Select **Issue Admit Card**

Step 2:

Select Required Details

- Select the **Course**
- Select the **Exam Calendar**
- Select the **Exam Type**
- Click on **Go** Button

The screenshot shows the 'Issue Admit Card' interface. The top navigation bar includes the 'OD Institute' logo, a menu with 'Fee', 'Advanced', 'Analytics', and 'Admission', the academic year '2025-26 Even', a 'Create Ticket' button, and user controls (search, download, settings, profile). The left sidebar lists modules: Examination, COE, Feedback From Student, College Communication, Learning Management, Lesson, HRM, and Users. The main form area is titled 'Issue Admit Card' and contains four dropdown menus: 'Select Class' (B.TECH CSE 1ST YEAR - C), 'Select Exam Calendar' (May 2026 (Even Semester)), 'Select Exam Type' (Regular), and 'Select Status' (All). A green 'Go' button with a right arrow is positioned to the right of these fields. A red rectangle highlights the selection area. The footer shows the copyright notice '© 2026 Okie Dokie - Campus Automation Partner'.

Step 3:

Bulk Issue Admit Cards

- Select the required students
- Click on “**Bulk Issue Admit Cards**”
- Admit Cards will be issued in bulk for the selected students

The screenshot displays the 'Admission' section of the OkieDokie web application. A table lists 10 students, each with a checkbox in the 'S.No' column, which are all selected. The table columns are: S.No, Roll No., Name, University Roll No., Class, Stream, Batch, Section, and Action. The 'Action' column contains 'Issue Admit Card' buttons for each student. Below the table, a red box highlights a 'Bulk Issue Admit Cards' button. The left sidebar shows various navigation options, and the top right includes a 'Create Ticket' button and search icons.
