The screenshot shows the 'Assign Subject' interface. At the top, there's a 'Select Class' dropdown set to 'CLASS 2 CLASS 2 CLASS...' and a 'Go' button. Below this, there are 'Select Subject' (set to 'Science') and 'Select Employee' dropdowns, a 'Show Subjects Column' toggle, and three buttons: 'Assign Teacher', 'Assign Subject' (highlighted with a red box), and 'Remove Subject'. A table lists students with columns: S.No, Admission No., Student Name, Father Name, and Roll No. The table has four rows, with the second and fourth rows selected (checked). To the right of the table, a dropdown menu for 'Assign Subject' is open, showing options: 'Optional', 'Additional', 'Vocational', and 'General' (highlighted with a red box).

- Select the Subject to Assign
- Finally, Click on Add Button

The screenshot shows a modal dialog titled 'Selected Subject Type -: OPTIONAL'. It has two tabs: 'Select Subjects' (active) and 'Assign Via Subject Group'. The 'Select Subjects' tab shows a list of subjects with 'Computer Science | CS' selected (highlighted with a red box). Below the list, it says '0 students.' In the center, there's a message 'OR No Records found !'. At the bottom right, there are 'Close' and 'Add' buttons, with the 'Add' button highlighted by a red box.
