

HOW TO SHIFT STUDENT IN GROUP

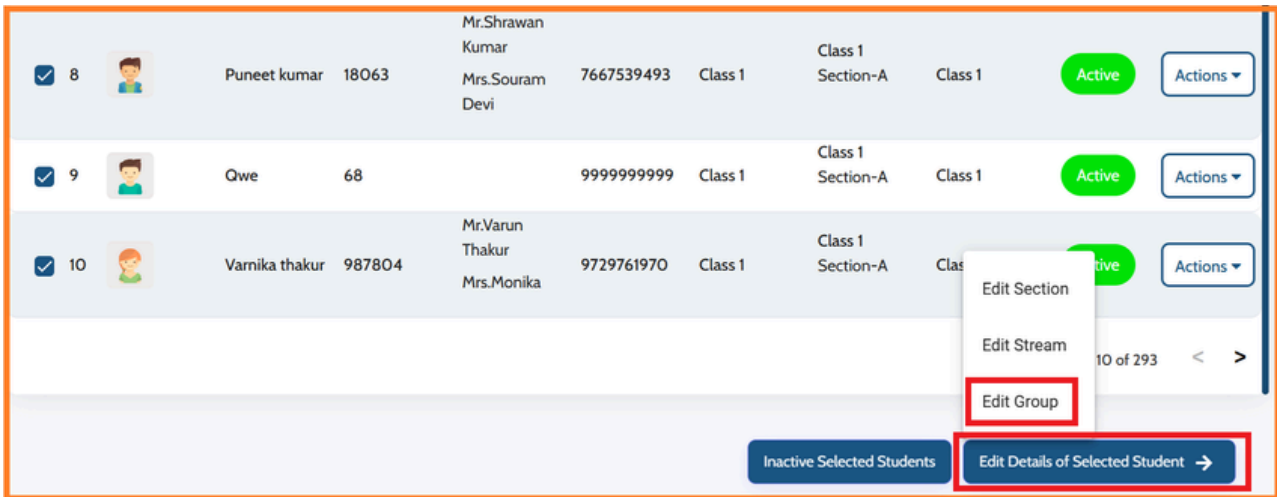

- Go to Student on left hand side > Student List

- Apply Filter of particular Class & Select ALL Students

- Click on Edit Details of Selected Students
- Select Edit Group

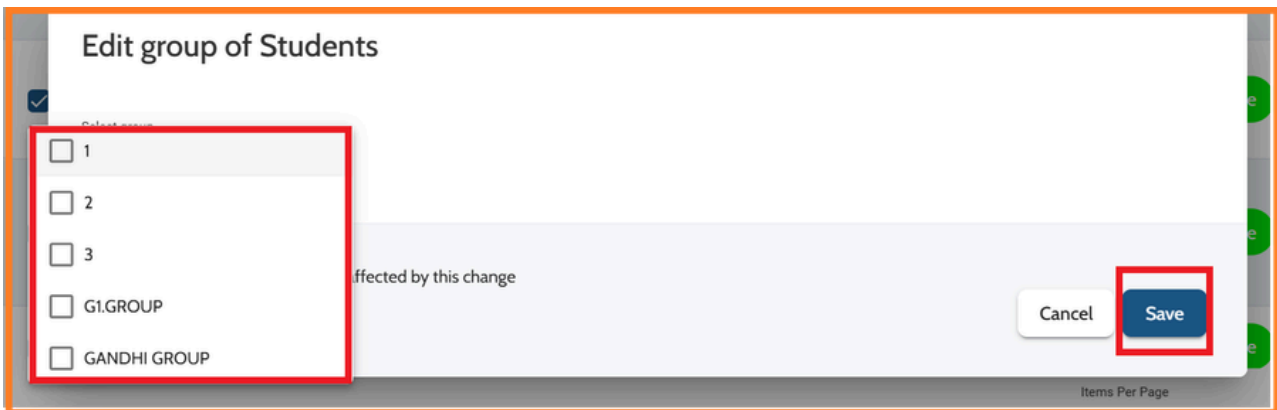

The screenshot shows a table of students with columns for selection, ID, name, contact, class, section, and status. The 'Edit Details of Selected Student' button is highlighted with a red box. A dropdown menu is open, showing 'Edit Section', 'Edit Stream', and 'Edit Group' (highlighted with a red box).
